

A Written Oath

Osaka International Language Institution

When I enter your school, I follow the following matters without fail.

1. While I attend school, I follow Japanese laws and many rules of our school and work hard at study.
2. While I attend school, I am not to carry out an activity out of residence qualification without permission of a law.
3. While I attend school, I devote myself to learning and keep absolutely about attendances more than 90%.
4. I and the person of expense payment pay the school expenses and overhead expenses at the fixed date.

In case I violated above matters, I do not do formal objection even if subjected to withdrawal from school.(School expenses cannot be refund.)

The person of expense payment agrees that he pays a debt and the debt others all that I make during Japanese stay.
